ON LICENSE 050108124

REF: 2006 BLUE LANTERN GUIDEBOOK

[1](#)1. This is an Action Request. See paragraphs 2-4.

[1](#)2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050108124 for the export of inertial measurement units (IMUs) to Thailand. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[1](#)3. Reason for request: Need to verify Thailand Ministry of Defense (TMOD) relationship with foreign consignee, Israeli Aerospace Industries (IAI).

[1](#)4. ACTION BANGKOK: Embassy is requested to make inquiries with appropriate host government officials to determine if the TMOD ordered the IMUs from IAI and if so, that the articles are being used for the purpose stated on the license. Export data indicates that items worth \$73,250 shipped from the United States on August 12, 2008. Post is requested to exercise its contacts within TMOD to verify this order.
